SOURCE

It was learned that the Soviets are planning to establish a liaison staff to maintain contact between the Soviet Occupation forces in Austria and the Soviet task force of about army size in Hungary.

25X1A [REDACTED] Comment:

The report is forwarded as it indicates that the Soviet forces concentrated in eastern Hungary were placed under their own headquarters. However, it is believed that the Soviet troops stationed in western Hungary (i.e. the 17th Gds Mecz Div) are still subordinate to the Hq of the Central Group of forces in BADEN
